BEFORE

We will sit down with you to discuss exactly what you are looking for. We will help figure out if we are the correct style that you are looking for. We will walk you through some of the things that we do. We are very flexible. Giving you all of the information that you need, to see that we are top notch professional event MCs and some of the most qualified DJs in the Ohio / Michigan area.

When you book an event with us. You get a signed contract guaranteeing you a DJ on your date. We will then walk you through the rest of the process. What you need to provide us , and when we need your information.

We write out a full schedule for us to follow at your event. We assign times to every event, as well as select music for all of the special events / spotlight dances you are having.

This schedule is not only for us to follow, but we need to make sure that all of the other professionals who are working for you stay on the same page. This is our job.

We handle all of announcements and coordination of every event. From your guests arrival , through dinner , cutting of cake , Spotlight Dances , Birthday wishesEVERYTHING up til your last dance of the evening.

After the Event you will receive a quality survey. We ask you to answer a few questions , to help us rate our service. We will never give your name / number out to anyone without your permission. This survey is how we use our references.

Romantic Candlelight on your 1st Dance

We get more nice compliments on this event than anything else. We involve the members of your wedding party on your 1st dance. The goal is to create a more romantic atmosphere on the dance, Your bridal party will be assembled behind you on the dance floor, in a half circle.

They are there to create a beautiful more romantic backdrop .

We provide them with candles and holders.

They are special to you, and now they get to share in the most important time of your special night.

Anniversary Dance Very popular dance. We invite all of the married couples out to share one dance with you. We will start counting through the years(1,2,3..etc).When we say the number of how long one of the couples has been married , they move to the edge of the floor. This dance ends with the longest and newest married couples sharing the center of the dance floor together. Sometimes the longest married couple is a very special couple (grandparents , parents...etc.) . It is a good luck dance for the Bride and Groom to share the floor with all of the successful married couples. It is your goal to be married forever. These are the role models to show you it can be done. It also is a way to get some of your older guests involved on the dance floor, to make them feel a part of your reception too.

A BUCK O FIVE DJS has been providing Quality professional music since 1981.

The name **A BUCK O FIVE** , is a nickname that stuck. It was given to the owner of **A BUCK O FIVE** by a few guys at a lounge that Larry used to DJ at. They had sizeable beer guts . We used to tease them and they said that Larry was so skinny (compared to them) that he would be lucky to weigh **A BUCK O FIVE**, not a penny more. It is a slang term for 105. In this case 105 pounds. The name stuck , and I guess the rest is history. Truth be told I weigh a little bit more than that back then (and a little bit more than that now) , but by comparison it was a fair nickname.

- * Over **50,000 top quality songs**. All **Digital**, We have state of the art **Computerized DJ systems** , as well as **CDs**. Quality perfect sound is a must.
- * **Your privacy is a Top Concern**. We do **not allow** any **uninvited guests**, (possible clientel of ours) to show up at your event, to shop for a DJ. We do not trade any of your information with any other wedding vendors. We would be happy to suggest these people to you , if you are in the need of their services
- * **Our DJs are professional**. With over **10 years** of wedding experience. As well as many other events. We arrive on time in the attire of your choice. We are very proud of our working relationship with other professional in town (as well as those who aren't so professional)
- * We want **requests** from your guests. They are very important to us. We will help you set guidelines for what you want them to be able to request. We will then mingle throughout the evening to make sure we **meet the needs of your guests**.
